HOLISTIC SUPPLIES

Vitamins and Supplements

for boosting and maintaining immune systems, preventing disease and building strong body systems

Dr. Harvey's Multi-Vitamin and Mineral Herbal Supplement is the perfect herbal powder for your dog. It contains all the vitamins and minerals necessary to achieve optimal wellness in your companion, including brewer's yeast and garlic, which are natural flea and tick preventives.

Naturavet Digestive Enzymes with Prebiotics and Probiotics.

Probiotics improve the health of the digestive tract by changing gut acidity, aiding digestion, and helping to detoxify harmful substances. They boost the dog's immunity and actively produce antibiotic substances.

Amber Technology products such as Kennel Koff, Parvaid, and Vibactra Plus.

Grapefruit seed extract, which has many health benefits including preventing giardia and treating kennel cough, is the least expensive way to keep your dog healthy. For a mere \$10 you get a bottle of 100 tablets (125 mg each). The pills are the color of "kibble" so you can put it right into your dog's food bowl.

We carry a variety of other products to boost your pet's immune system and help them achieve optimal health.

Homeopathic Remedies

Homeopathy is a safe and effective system of natural medicine.

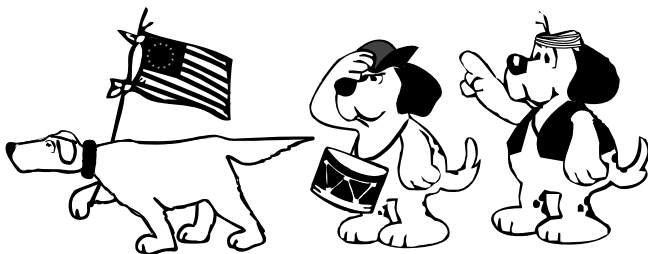

We offer simple remedies for bee stings, coughs and colds, and bumps and bruises. We offer preventatives and treatment remedies for lyme disease.

Save A Dog is a 501c3 tax exempt Humane Society whose mission is to rescue, rehabilitate, and find adoptable homes for abandoned dogs. We are a holistically-minded organization that believes in providing the highest quality care to our rescued dogs. We give the dogs vitamins, herbal supplements, and probiotics from day one as our shelter protocol. Each night the new arrivals are serenaded to animal healing music while enjoying a fresh chewie on their kuranda beds. We have a very strong foster home program so that the dogs are transitioned into the home environment as soon as possible. We educate our adopters on holistic care for their new dog and our Retail room carries pet food and all the holistic supplements at a very low cost to our adopters and supporters. Please come visit us during our open hours. Save A Dog was incorporated in 1999 and is funded entirely by private donations.

Please keep the historical grounds of the Wayside Inn litter free. For your convenience, doggy clean-up bags are inside your goodie bag, as well as available at all our Booths.

DOG WALK

During the Revolutionary war when British General Howe's dog accidentally crossed American lines, General George Washington wrote a letter to his British counterpart and returned the dog to him. No wonder we elected him the first President! In the midst of the Revolution he took the time to save a dog!

Save A Dog is a 501c3 non-profit organization.
Additional pledges and tax deductible donations should be mailed to:

Paws in the Park 2017 is dedicated to Alyza, who is still looking for her forever home. She has lived with up to five children in a home that included a small dog. She loves tennis balls. Interested parties please fill out the adoption application on our Web site, <http://www.saveadog.org/applytoadopt.asp>.

We owe debts of gratitude to Quirk Ford and LaBelle Roofing. Quirk Ford helped us to bridge the gap so that we could secure the van of our dreams, and LaBelle Roofing provided the shelter with new roofs on all three buildings.
